INTERNATIONAL SEARCH REPORT

International application No.

Information on patent family members

PCT/SG2004/000382

This Annex lists the known "A" publication level patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.

Patent Document Cited in Search Report			Patent Family Member	
CA	2244549	NONE		•
US	2003208477	NONE		•
US	2004107210	NONE		

Due to data integration issues this family listing may not include 10 digit Australian applications filed since May 2001.
